## About the Club

The idea of French Club is to get children interested in the language and to get them using it as much as possible as soon as possible. For this to happen, the club needs to be fun and engaging. This term will focus on art-based language activities both indoors and outdoors, as well as French language games.

## About the Teacher

I am a qualified and experienced language teacher, primary class teacher, translator and interpreter. I currently teach French at The Warriner School and at primary schools in the area, I offer private Spanish and French tuition and I also run after-school Spanish and French clubs at a number of local schools. I am delighted to have the opportunity to run a French Club at Bishop Carpenter for a second year.
